GENERAL INFORMATION.

A. M'Mahon & Co.

INFORM the Public, that they can be supplied with large or small assortments of American Seeds or Plants, properly marked with their Botanic names, and packed so as to go with perfect safety to any part of the world.

ALL SEEDS put up at their Warehouse, are distinctly labled with the kind and quantity, and may be relied on as fresh and genuine.

TREES AND PLANTS from their Nurseries are numbered, and the invoice made to correspond with the numbers. They are either packed in boxes or carefully matted, so as to bear transportation to any part of the Continent, or to Europe.

The proper Seasons for removing Trees, are the months of October, November and December, in Autumn; and March and April in the Spring. For BULBOWS FLOWER ROOTS, the best Season is, from July to October, inclusive.

GREEN-HOUSE PLANTS, can be forwarded at any Season, except the Winter Months.

THE PRICES of Seeds and Trees are variable, and depend in a great measure upon the demand which may be for them; therefore, no prices are affixed to those articles in this Catalogue; but, A. M'M. and Co. assure the public, that they will sell, either Wholesale or Retail, on as reasonable terms as any other establishment of a similar kind.

ORDERS for Seeds from wholesale purchasers should specify the quantities of each article—from those who only require a supply for their own Gardens, the amount of money proposed to be expended thereon, will be sufficient, as A. M'M. & Co. will select the best kinds and proportion, the quantities in such manner as to suit the extent of ground, or number in family.

* * * Gentlemen visiting Europe, can be furnished with a neat selection of the handsomest Native Shrub Seeds, at from \$5 to \$50.
